

Dear colleagues,

The WP5 Training of Multipliers programme of the Joint Action on Patient Safety and Quality of Care (PASQ), invites you to join a WP5 webinar on **Hand Hygiene Compliance**. The webinar session aims to provide a comprehensive and dynamic discussion about the Multimodal intervention to increase hand hygiene compliance Safe Clinical Practice.

Participants will gain an overview of Interventions to increase the hand hygiene compliance safe clinical practice and taking part in the webinar provides an opportunity for sharing of experiences from across Europe.

The session will be held on May 9<sup>th</sup> 2013 from 15.00 until 16.45 CET.

To register, please complete the following table with your personal details and send it to [matteo.vezzosi@ehma.org](mailto:matteo.vezzosi@ehma.org)
